

Manthey Prayer Requests

FALL 2010

Praise for...

- Philip! He is amazing. We still cannot believe that he's ours.
- The blessing of family! We are especially grateful for our sister-in-law, Jen, who watches Philip every Tuesday so that Michelle can go into the office.

Pray for...

- Wisdom in raising Philip to become a child of God & a servant to the less fortunate.
- The women in prison & their families through the holiday season. Pray that the women will draw closer to God through their longing & for our community to rise up to encourage their children.
- Wisdom as we prepare for February's busy missions conference & camp fair schedule; that we'll know what we can & cannot do, especially with Philip & with the loss of income as Nathanael takes off from work.
- Michelle as she juggles motherhood & ministry; that she'll get better at multi-tasking.
- A Registered Nurse for Handi*Camp. We are in desperate need for the 2011 camping season! (If you know of someone, please give them Nathanael's contact information.)
- Big Tom's salvation. We've been praying for him for years, but he remains stubborn. If he's saved, he refuses to admit it—although we did find out that he was baptized by a local pastor a number of years ago, so he's not telling us everything.
- Healing for Nathanael's father who has cancer.
- Our support needs; that we'll trust God to provide for us & that we'll use what we have wisely. (Our support remains at just under 70%.)
