

As the new year begins, would you please prayerfully consider how you, your church or small group could partner with Tara to spread His HOPE in 2009. H*VMI is a faith based mission organization and all missionaries and ministry events are fully dependant upon the gifts of others. All financial gifts are tax deductible.

I/We would like to help:

**By organizing the collection of supplies for Bible clubs/studies:*

- Please send a list of needed items.

**By "adopting" a Bible club. (Cost of each club/study includes mileage for staff to conduct groups, curriculum, teaching supplies and food. We encourage you to visit the group you "adopt" if able- and you can receive specific prayer requests/updates via e-mail on that ministry.)*

Meimark = 8 partners at \$20/month each*

South Jersey Study = 1 partner at \$30/month*

Lancaster Bible Club = 3 partners at \$20/month*

Lancaster Bible Study = 3 partners at \$20/month*

Sunny Crest = 2 partners at \$20/month*

Germantown Elwyn = 3 partners at \$10/month*

Elwyn = 7 partners at \$20/month*

Maple Farm = 2 partners at \$5/month*

Ingليس House = 10 partners at \$20/month*

**or equivalent*

- I/We would like to "adopt" _____ as my/our ministry by giving \$ _____/month.

SEE DESCRIPTIONS OF MINISTRIES ON THE BACK OF THIS FORM.

MINISTRY LOCATION DESCRIPTIONS:

Meimark = a residential home for adults with mental disabilities; we have had a long standing relationship with these friends and they truly enjoy learning His Truth and sharing it with others.

South Jersey Study = held in a secular apartment facility for people with disabilities, our core group of campers from Bible Conference meets for Bible study and seeks to be a light to others in that place.

Lancaster Bible Club = our growing group of more than 25 ministers to children, teens and adults with multiple disabilities in the community, including those from a residential group home. Some literally run to club- and enjoy singing and acting out Bible stories- lots of laughter!

Lancaster Bible Study = a higher functioning group of adults, most with primarily physical disabilities or traumatic brain injuries. They are delving into a study of the Holy Spirit's role in the life of a Believer- a challenging topic, but so important!

Sunny Crest = a Mennonite run group home where most have a deep love for the Lord. They often teach us... but together we are trying to challenge them with not just knowing the "facts" - but having them truly transform our lives.

Germantown Elwyn = a residential home for people with behavioral and mental health issues. This small group holds a lot of potential. Some have not heard the Gospel nor know the basic Bible stories... while others know the facts but struggle to make sense of hurtful pasts when hearing of God's care for them.

Elwyn = 2 groups of adults with mental/learning disabilities meet, and while it takes a long time for Truth to sink in... once they learn something, they don't forget! They eagerly look forward to Bible club and enjoy singing and telling the plan of salvation using our "salvation wheel."

Maple Farm = a nursing home ministry where the residents, while challenged with health and deep family concerns, still have a love for our Lord and bring smiles to our faces through their stories and jokes (like "G" who's always teasing us... in her 80s, but still as spunky as ever!)

Ingليس House = a wheelchair community where people of all ability levels and several different faiths attend our weekly studies. We seek to be a light in this secular facility- and challenge the residents to be the same, encouraging them that while they may have a disability- God still has a purpose for their lives which He seeks to fulfill.
