June 2010

Dear Family and Friends,

God has been so gracious to allow me the opportunity to travel and visit our H*VMI Ghana ministry, August 18-26, 2010. I will be traveling with Tim Sheetz, our Executive Director and Janna Fravel, one of our H*VMI Board members. The purpose for going is to visit with and encourage our H*VMI missionaries, Larry Lamina and Joel Quansah and their families as well as the staff/volunteers who help with the H*VMI Ghana ministry and to see their ministry to people with disabilities first-hand. We will also help the staff with leadership support methods on providing quality care and programs for people with disabilities. I invite you to learn more about the H*VMI Ghana ministry at <http://hvmi.org/international/ghana.html>.

I would appreciate your prayer support as we embark on this trip. Another way of supporting would be through a one-time financial gift toward the trip. The cost per person is approximately \$2,000 which includes our airfare, visa fee and medical costs for shots and malaria medicine prior to the trip as well as our room and board while in Ghana.

If the Lord lays it upon your heart to contribute through prayer support or a financial gift, please fill in the form below and mail it to: H*VMI Ghana Trip – Deb Clark, P O Box 122, Akron, PA 17501-0122 All gifts are tax-deductible. Thank you for your consideration of this request.

In His Grace,
