

TIM AND KATHY SHEETZ - THANK YOU AND MINISTRY UPDATE!

DECEMBER 2023

NOTHING IS IMPOSSIBLE WITH GOD!

That's what the angel said to Mary in Luke 1:37. To that, we say, "AMEN!"

NOTHING IS IMPOSSIBLE WITH GOD. That's what we experienced as we've now passed the October 2023 FIFTIETH ANNIVERSARY of this amazing ministry. AND – NOTHING BEING IMPOSSIBLE WITH GOD, the two of us are still an active part of the ministry – going, and going and going, like the Energizer Bunny! The ministry began when we were 31 and 30. You may do the math to discover just how old we are!!!

We want to be careful that this Christmas 2023 Ministry Update to you doesn't sound like a medical report – but – since we've experienced a few medical issues in our family in recent months, we hope you'll bear with us a bit. We discovered, as we've faced each, that **NOTHING IS IMPOSSIBLE WITH GOD!**

NOTHING IS IMPOSSIBLE WITH GOD. May 2023, it was discovered that our grandson-in-law, Ethan's, one and only kidney was failing. This one is a transplant he received eight years ago to replace the one and only kidney with which he was born because – it had failed. He had to go on dialysis. Nevertheless, he finished law school, passed his Bar Exam, was sworn in as a lawyer, and hardly missed a beat to continue working while also dealing with this huge medical situation. His wife, our granddaughter, Savannah, has walked every step with him, while also completing her own courses in law school and continuing to study for her Bar Exam.

NOTHING IS IMPOSSIBLE WITH GOD. November 2023, our oldest daughter, Sandie, had surgery to donate a kidney. Someone in New York is walking around with her kidney inside him or her, rejoicing, we trust, at the provision. Sandie and Ethan aren't a match but, since she donated in his behalf, The National Kidney Registry is actively looking for a donor who DOES match Ethan. We've learned so much more about this process than we ever thought we'd need to know. Maybe, the overriding indication that **NOTHING IS IMPOSSIBLE WITH GOD** is that, somewhere, sometime, someone in days gone by, looked at a kidney and thought, "Maybe we can remove the kidney from THAT person and place it in THIS one!" Having been on this journey, we're so very thankful for the way God designed our bodies that this whole kidney transplant opportunity exists! It's certainly going to serve OUR family well when that match is found for Ethan.

NOTHING IS IMPOSSIBLE WITH GOD. December 2023, five years after Tim had successful surgery to replace his Aortic Valve and repair his Mitral Valve (another indication of God's overwhelming creativity!), he slipped back into A Fib. He had to have a cardio version. Praise our Creator, it took just one shock to his heart to put it into rhythm. (Tho' not the rhythm that could help the Sheetzs dance!)

NOTHING IS IMPOSSIBLE WITH GOD in more than health matters! December 2023, our youngest granddaughter, Elle, was awarded an amazing college scholarship. She's worked hard to accomplish this. Her parents have supported and encouraged her all along the way.

NOTHING IS IMPOSSIBLE WITH GOD. Looking back on the way He helped us find a property for the H*VMI Ministry Center and enabled us to purchase that property; and now as we minister, work and fellowship together in, and immensely enjoy, our new Ministry Center Office, we are SO VERY COGNIZANT that *NOTHING IS IMPOSSIBLE WITH GOD*. And, because we believe *NOTHING IS IMPOSSIBLE WITH GOD*; and we've experienced *NOTHING IS IMPOSSIBLE WITH GOD*, we look forward, with full confidence to the day that God will provide ALL WE NEED to complete construction on all buildings on this property. We see how fully we are using this one building. It makes us all the more eager to see how God will enable us to do more and more and more when all buildings are up and running.

So, believing that **NOTHING IS IMPOSSIBLE WITH GOD**, will you pray with us:

- ♦ *That a kidney will soon be located for Ethan and he will have successful surgery to receive it, recover from surgery and thrive with this provision.*
- ♦ *That God will provide ALL THE MONIES NEEDED to complete the H*VMI Ministry Center.*
- ♦ *That God will confirm to Elle and her parents where she should attend college.*
- ♦ *That God will continue to give these ole Sheetz bodies and minds strength and clarity to do what we love to do – share Truth, Hope and Joy with those to whom He has called H*VMI and us to minister.*

NOTHING IS IMPOSSIBLE WITH GOD works in YOUR life as it works in ours and in the life of this ministry. Reach for it, embrace it and make your Christmas a blessed one as the reality and the hope of it seeps into your own heart and life challenges.

Merry Christmas from
