

TIM AND KATHY SHEETZ - THANK YOU AND MINISTRY UPDATE!

MARCH 2024

HI!

We're still here! We're still living, breathing, eating (maybe too much!), laughing, talking, serving, loving...

We're still in need of your prayers. Maybe even a little more. We'd like to know why all our friends who have navigated or are navigating their 80's didn't give us a little bit more of a "heads up" about how challenging this decade can be!!! Nevertheless, even tho' our health issues are increasing, our God is the same – ALWAYS faithful, loving, supplying, encouraging and filling us with hope. He seems to be pleased to continue to use us in this amazing ministry and we are more grateful to Him than we can express. We don't take any day (or night) for granted – just live our days in the strength HE gives.

H*VMI PROPERTY UPDATE

As of March, we have been occupying our new office (practically in our backyard, as you may recall) for six months. WE LOVE IT. This building is not just a beautiful office where administrative duties and ministry preparation opportunities take place. But, while we wait for God to provide the funds to build each next building, ministry is also taking place.

- *Our lunchroom is also temporarily where our PIP (parents of children with disabilities) and BASIS (parents who have lost a child) Support Groups meet.*
- *Our conference room accommodates three of our four Bible clubs and studies. We still need to hold our largest Bible club in a nearby church.*
- *Spaces designed to be offices are now used for 1) Our teacher prep room and 2) Our Handi*Camp storeroom.*

We're managing just fine – but – what a blessing it will be to be able to construct the additional buildings, already on the architectural plans, so everything can move to its assigned place!

FAMILY

A few things for which we'd be SO THANKFUL to know you're praying:

- A kidney for grandson, Ethan;
- Success with the Bar Exam for his wife, our granddaughter, Savannah.
- College decision and arrangements for granddaughter, Elle.
- Wedding on August 10 for grandson, Ben, and his bride-to-be, Cassidy, including safety for the entire family traveling to NC from PA and NV.
- Blessings for grandson, Micah, and his wife, Lindsey – they need our prayers too!

THANK YOU

You are more important to the two of us and this ministry than you know. Be blessed to know that we, our family and H*VMI are blessed through you!

In CHRIST'S love,
